June 6th, 2023, 11:00
(open for all)

FCI Workshop

June 6th, 2023, 13:00 – 16:00
(Registration necessary)

Lecture Hall Georg-Speyer-Haus

Nicolas Wöhrl & Peter Kohl
Universität Duisburg-Essen

Science FACtion - Science
communication by researchers

Especially in crisis situations there is a high demand for qualified science communication by experts, but:

- How can communication succeed alongside all the other tasks in research and teaching?
- Why do we need scientists who communicate in addition to press offices and science journalists?
- How are scientists supported today and how should support look like in the future?

And above all:

What do scientists themselves gain from communicating with the public?
